FEES PAYABLE TO BRAINWORKS LEARNING LAB

Fees shall be calculated at \$40 per hour of instruction for private tutoring and \$30 per hour for small group, per subject covered. Prep class and summer camp fees will be announced as these classes are offered. No additional fees shall be charged for materials, books, software, etc. unless agreed to prior or given consent in writing by the parent.

A one-time application fee of \$20 will be charged for testing and placement per subject evaluation if needed.

Additional testing fees may be charged as subjects are added to your child's schedule. These charges will be determined based on the costs associated with the tests and needs for additional study materials.

We ask that you commit to one month at a time and if you are not satisfied, we can discuss ending the contract.

CANCELLATION OR RESCHEDULING OF SESSIONS BY CLIENT

Tutoring services can only be cancelled by the parents or responsible party and must be done in writing no later than the 15th of the prior month. Otherwise, you will be billed in full for the upcoming month.

Your child's space is reserved with expectation that they will participate in their scheduled session. Non-participation or "No Shows" for any reason are not transferable or refundable. If your child is sick at the time of his/her session or prior arrangements have been made with the management of Brainworks Learning Lab, make-ups are available on a "space available" basis. If no other class time is available, the fee for that session is forfeited.

Payment is due each month regardless of attendance. Any and all fees paid are for services rendered and considered Non-Refundable. Extenuating circumstances need to be addressed with management.

CANCELLATION OR RESCHEDULING OF SESSIONS BY BRAINWORKS

It is not the intent of Brainworks Learning Lab to make changes to the structure or tutoring schedule. However, in some cases it may be necessary that sessions be cancelled or rescheduled. These include but are not limited to sickness of staff, death, inclement weather, or any other reason, which prohibits classes from being taught. Brainworks Learning Lab may cancel lessons by giving 24 hours prior notice to the parent. The session may be rescheduled to a suitable time for all parties within 30 days.

If a change in schedule is needed due to conflicts on part of Brainworks Learning Lab, we will try to accommodate the change based on space or instructor availability. Every effort will be made to retain your child in this valuable program. However, due to time, space, and instructor availability, we may not be able to accommodate. If sessions cannot be continued due to rescheduling on the part of Brainworks Learning Lab, the client shall be released from their contract for that subject without penalty.

Note:

We follow the Griffin-Spalding County school calendar. If they are closed, Brainworks will be closed.
