June 2018
9:00-12:00 Daily

“LEGO Camp” June 4-8
Ages 5 & up- This camp is designed to promote critical thinking while building. Campers will use robotics to complete daily challenges and stop motion video to engage the learner. **Cost: \$140 includes field trip.**

“STEAM” June 4-8
Ages 8 & up- Students will learn more about science, technology, engineering, art and math. **Cost \$140 includes field trip.**

“Creative Art” June 11-15
Ages 5 & up- Students will create their own art using a variety of materials. **Cost \$140 includes field trip.**

“Art Camp” June 11-15 Ages 8 & up- Take an artistic trip around the world. Get your passport stamped each day as we visit a different country and create a piece of art you might find there. We will end our week with a trip to visit the High Museum in Atlanta. **Cost: \$140 includes field trip.**

“BrushBots” June 18-22
Ages 8 & up- Students will construct their own “bot”, create exhibits & games relating to their “bot”. **Cost \$135**

“Technology Camp” June 18-22
Ages 7 & up- Students will learn about computer programming & how to create interactive stories, animations, movies & games. **Cost \$120**

“Chemistry Camp” June 25-29
Ages 6 & up- Create crazy chemistry concoctions that change colors, bubble, fizz & ooze. **Cost \$120**

“Creative Science Camp” July 25-29 Ages 8 & up- This camp will allow students to create, observe, and make interactive *cool* science projects. **Cost: \$120**
